

Time-Dependent Schrödinger Equation with Magnetic Field

Etienne Corminboeuf

25th May 2020

Abstract

This is the abstract of the following report.

Contents

| | | |
|---|------------------------|---|
| 1 | Introduction | 1 |
| 2 | Setup and Method | 1 |
| 3 | Results | 1 |
| 4 | Summary and Conclusion | 1 |

1 Introduction

Here I introduce the topic of the semester thesis.

2 Setup and Method

3 Results

4 Summary and Conclusion
